Permit to Move Live Plant Pests, Noxious Weeds, and Soil
Interstate Movement
Regulated by 7 CFR 330

This permit was generated electronically via the ePermits system

PERMITTEE NAME:	Jan Freedman	PERMIT NUMBER:	P526P-19-05433
ORGANIZATION:	U.S. Army Corps of Engineers	APPLICATION NUMBER:	P526-181025-018
ADDRESS:	3909 Halls-Ferry Road Vicksburg, MS 39180-6199	FACILITY NUMBER:	N/A
MAILING ADDRESS:	3909 Halls-Ferry Road Vicksburg, MS 39180-6199	HAND CARRY:	No
PHONE:	601-634-3767	DATE ISSUED:	12/30/2019
FAX:		EXPIRES:	12/30/2022
DESTINATION:	CA		
RELEASE:	CA		

Under the conditions specified, this permit authorizes the following:

<u>Regulated Article</u>	<u>Life Stage(s)</u>	<u>Intended Use</u>	<u>Shipment Origins</u>	<u>Originally Collected</u>	<u>Culture Designation</u>
Amynothrips andersoni	Pest-infected plant material	Release - Biocontrol	MS	Originally Collected from Foreign Locations	
Arcola malloi	Pest-infected plant material	Release - Biocontrol	MS	Originally Collected from Foreign Locations	

PERMIT GUIDANCE

- 1) This permit does not authorize movement or release into the environment of genetically engineered organisms produced with the regulated organisms described in this permit. Importation, interstate movement, and environmental release of genetically engineered plant pests require a different permit issued under regulations at 7 CFR part 340. Any unauthorized interstate movement or environmental release, including accidental release, of a regulated GE organism would be a violation of those regulations. Additional guidance and contact information for APHIS Biotechnology Regulatory Services, can be found at: <https://www.aphis.usda.gov/aphis/ourfocus/biotechnology>.
- 2) If an animal pathogen is identified in your shipment, to ensure appropriate safeguarding, please refer to http://www.aphis.usda.gov/import_export/animals/animal_import/animal_imports_an_products.shtml
- 3) If a human pathogen is identified, please refer to the CDC Etiologic Agent Import Permit Program at <http://www.cdc.gov/od/eaipp/>
- 4) This permit does not fulfill the requirements of other federal or state regulatory authorities. Please

WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

contact the appropriate agencies, such as the U.S. Environmental Protection Agency, the U.S. Fish and Wildlife Service, the U.S. Food and Drug Administration, the Centers for Disease Control and Prevention, the APHIS Veterinary Services unit, the APHIS Biotechnology Regulatory Services, or your State's Department of Agriculture to ensure proper permitting.

5) If you are considering renewal of this permit, an application should be submitted at least 90 days prior to the expiration date of this permit to ensure continued coverage. Permits requiring containment facilities may take a longer period of time to process.

PERMIT CONDITIONS

USDA-APHIS issues this permit to Jan Freedman, U.S. Army Corps of Engineers, ERDC, WES, Vicksburg, MS 39180. This permit authorizes the interstate movement of *Amynothrips andersoni* and *Arcola malloi* by the permit holder, Jan Freedman, U.S. Army Corps of Engineers, ERDC, WES, from the State of Mississippi (facilities at U.S. Army Corps of Engineers, ERDC, WES, EE-A Engineer Research and Development Center, 3909 Halls-Ferry Rd., Vicksburg, MS 39180), to cooperators in the State of California.

1. • This permit is issued by the United States Department of Agriculture's Animal and Plant Health Inspection Service (APHIS). It conveys APHIS regulations and requirements for the material(s) listed on this permit. It does not reduce or eliminate your legal duty and responsibility to comply with all other applicable Federal and State regulatory requirements.
 - The permit number or a copy of the permit must accompany the shipment.
 - You must be an individual at least 18 years old, or legal entity such as partnership, corporation, association, or joint venture.
 - You are legally responsible for complying with all permit requirements and permit conditions.
 - If you violate any applicable laws associated with this permit, you may face substantial civil or criminal penalties. We may cancel all current permits and deny future permit applications.
 - Without prior notice and during reasonable hours, authorized Federal and State Regulators must be allowed to inspect the conditions associated with the regulated materials/organisms authorized under this permit.

2. The permit holder must:

- maintain a valid PPQ526 permit so long as the regulated materials/organisms are received, handled, and released,

Permit Number P526P-19-05433

WARNING: Any alteration, forgery or unauthorized use of this Federal Form is subject to civil penalties of up to \$250,000 (7 U.S.C.s 7734(b)) or punishable by a fine of not more than \$10,000, or imprisonment of not more than 5 years, or both (18 U.S.C.s 1001)

- take appropriate precautions to release regulated materials/organisms only at intended release sites,
- not assign or transfer this permit to other persons without APHIS PPQ authorization,
- maintain an official permanent work assignment, residence, or affiliation at the address on this permit,
- notify the Pest Permit Staff as soon as possible of any change in the permit holder's work assignment, residence, or affiliation,
- notify the Pest Permit Staff of the receipt of unauthorized and/or misdirected shipments of regulated materials/organisms.

Notifications to the Pest Permit Staff must be made via 866-524-5421 or pest.permits@aphis.usda.gov within one business day of the event triggering a notification.

3. All packages for transport must minimally consist of both inner/primary and outer/secondary packages securely sealed so that both are effective barriers to escape or unauthorized dissemination of the listed materials/organisms. The inner/primary package(s) will contain all regulated materials/organisms and must be cushioned and sealed in such a way that it remains sealed during shock, impact, and pressure changes that may occur. The outer/secondary shipping container must be rigid and strong enough to withstand typical shipping conditions (dropping, stacking, impact from other freight, etc.) without opening.
4. This permit authorizes the interstate movement of *Amynothrips andersoni* and *Arcola malloi*, and does not authorize other species.

All such organisms shipped must be directly from sources/localities within the Continental U.S. (e.g., facilities at U.S. Army Corps of Engineers, ERDC, WES, EE-A Engineer Research and Development Center, 3909 Halls-Ferry Rd., Vicksburg, MS 39180); that is they must have been field collected from, or produced at sites located within the continental U.S.

5. Identity of *Amynothrips andersoni* and *Arcola malloi* intended for release shall be verified prior to packaging for shipment by a qualified or experienced individual familiar with the individual species.

After field collecting Regulated Articles authorized for interstate transport, the Permit holder must minimize the inclusion of extraneous plant parts, soil, or any other organisms, debris and other such items.

6. Host plant parts are authorized to be included in the shipments of regulated organisms. Shipments shall be free of propagative host plant parts as much as practical, except that propagative host plant parts are authorized to be included in the shipments of regulated organisms when these organisms normally live within a propagative plant part.
7. The permit holder must keep records of all shipments sent under this permit for a period of three (3) years after the shipping date. All records retained under this permit must be made available to Federal and State regulators upon request.
